

## V1

F Dm7 Bb C  
So many, many years ago, walking on the earth  
F Dm7 Bb C  
Were super massive animals, with teeth and claws and fur  
F Dm7  
Some could swim and fly and crawl  
Bb C  
But way more radical  
Bb C  
Is that God who made them is alive and greater than them all

## Chorus

F Dm7  
God is bigger than a dinosaur  
Bb C  
Taller than a dinosaur  
F Dm7  
Stronger than a dinosaur  
Bb C  
Roar! Roar! Roar!  
F Dm7  
God is older than a dinosaur  
Bb C  
More mighty than a dinosaur  
F Dm7  
More awesome than a dinosaur  
Bb C  
Roar! Roar! Roar!

## V2

F Dm7 Bb C  
So was Tyrannosaurus Rex king above the rest?  
F Dm7 Bb C  
And how did Stegosaurus bath or Diplodocus lay eggs?  
F Dm7  
Only God could know it all  
Bb C  
But way more radical  
Bb  
Is that He could bring them back to life  
C  
Now wouldn't that be cool?

### Bridge
