Jesus

It's in the Bible Luke 15: 4-7

Suppose one of you has a hundred sheep and loses one of them—**what do you do?** You leave the other ninety-nine sheep in the pasture and go looking for the one that got lost until you find it. When you find it, you are **so happy** that you put it on your shoulders and carry it back home. Then you call your friends and neighbours together and say to them,

“I am so happy I found my lost sheep. Let us celebrate!”

In the same way, I tell you, there will be more joy in heaven over one sinner who repents than over ninety-nine respectable people who do not need to repent.

Let's chat! Watch the video: *The Lost Guitar Pick*

- Which part of the video did you like best? Why was that?
- I wonder if there was a part of the video that you did not like? Why didn't you like it?

Let's make!

Cut out the image of the sheep from the *Activity Pack Jesus - Sheet 3*, one for everyone in your household. Cover it with cotton wool balls or Cheerios and mark the eyes and legs out in black. When you have all got a sheep finished pray this prayer together:

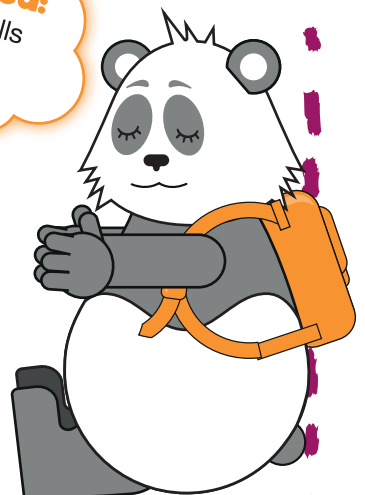

You will need:

- cotton wool balls or Cheerios
- glue stick

Let's Pray!

Dear Jesus, We thank you that you love us so much that you will never give up on us and will always want us to be close to you because we really matter to you. **Amen**

Why not swap your sheep with someone else in your household and then it will remind you to pray to God for them daily.

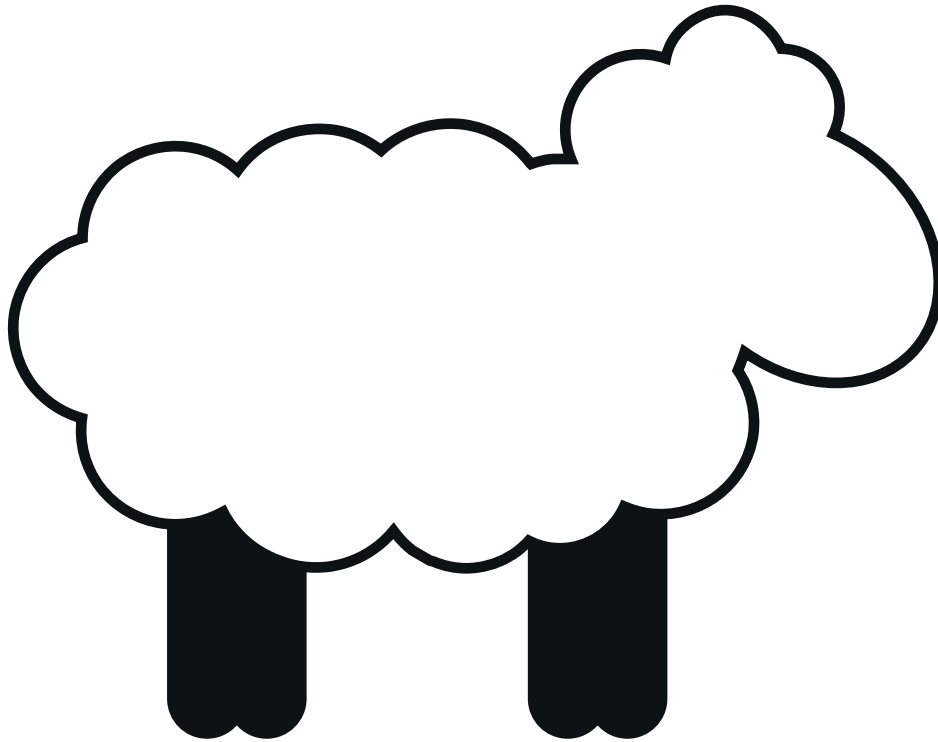

Food challenge

Praise

It's in the Bible Psalm 126:3

The Lord has done **great things** for us, and we are filled with **joy**.

Let's chat! Watch the video: *The Duck Award*

- Which bit in the video did you really like?
- Was there anything in the video that made you feel sad?

Let's look!

There are many ways to praise God. In the Message Bible in **Psalm 15** it says:

*"Praise him with a blast on the trumpet,
praise by strumming soft strings;
Praise him with castanets and dance,
praise him with banjo and flute;
Praise him with cymbals and a big bass drum,
praise him with fiddles and mandolin.
Let every living, breathing creature praise God"*

It says there are many instruments to praise God with. Can you unravel the clues?

with a blast on the **t** _ _ _ _ _ **t**

by strumming **s** _ _ _ _ _ **s**

with **b** _ _ _ _ _ and _ _ _ _ _ **t**

with _ _ _ **m** _ _ _ _ **s** and _ _ _ _ _ **m**

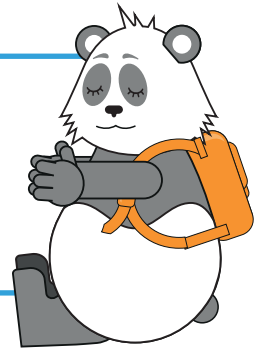

And remember that every breathing creature can praise God. That is you!

What instrument would you choose to praise God with?

Let's Pray!

Dear Jesus, thank you that we can sing, dance, shout or make a loud noise to you in our happiness that you are our King. Please help five of my friends to come to know you as their King as well. **Amen**

Let's make!

Find a small, empty plastic bottle with a screw top. Half fill it with either dried beans, rice or lentils. Seal the top, tightly. Make sure it makes a great sound when you shake it. Decorate your shaker with stickers, glitter, paper shapes etc!

Food challenge

The challenge this time is to make a celebration cake. Here is a microwave mug cake recipe from BBC GoodFood. See what you have at home that you can decorate it with.

Ingredients:

4 tbsp self-raising flour
4 tbsp caster sugar
2 tbsp cocoa powder
1 medium egg

3 tbsp milk
3 tbsp vegetable or sunflower oil
a few drops of vanilla essence
2 tbsp chocolate chips, nuts, or raisins etc (optional)

Method:

Step 1:

Add 4 *tbsp self-raising flour*, 4 *tbsp caster sugar* and 2 *tbsp cocoa powder* to the largest mug you have (to stop it overflowing in the microwave) and mix.

Step 2:

Add 1 *medium egg* and mix in as much as you can, but don't worry if there's still dry mix left.

Step 3:

Add the 3 *tbsp milk*, 3 *tbsp vegetable or sunflower oil* and a *few drops of vanilla essence* and mix until smooth, before adding 2 *tbsp chocolate chips, nuts, or raisins*, if using, and mix again.

Step 4:

Centre your mug in the middle of the microwave oven and cook on **high for 1½-2 mins**, or until it has stopped rising and is firm to the touch. Then decorate as you wish.

Certificate

For really helping people this week.

Let's praise!

We can praise God and use our words to tell Him how wonderful He is. Can you think of a word to describe how AMAZING God is using each letter of the alphabet?

A B C

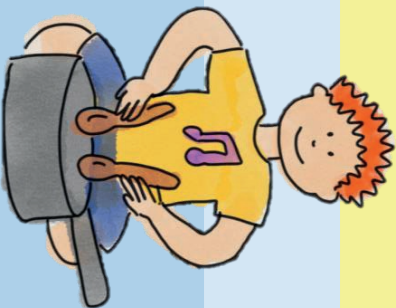

Praise is our way of telling God how AMAZING He is. We can praise using our words, our actions and our whole bodies.

How many ways can you find to praise God today?

We can praise God with the whole of our bodies, we can jump, spin and dance or wave our arms in the air. Why not put on some music and spend sometime praising God with your whole body today.

Psalms 150 says we can praise God with many different instruments and sounds.
Why not read it together?

How many different things can you find to make a sound with in your home? Bang a saucepan with a wooden spoon, shake a bottle filled with rice or pasta, blow through a tube. What sound can you make to praise God today?

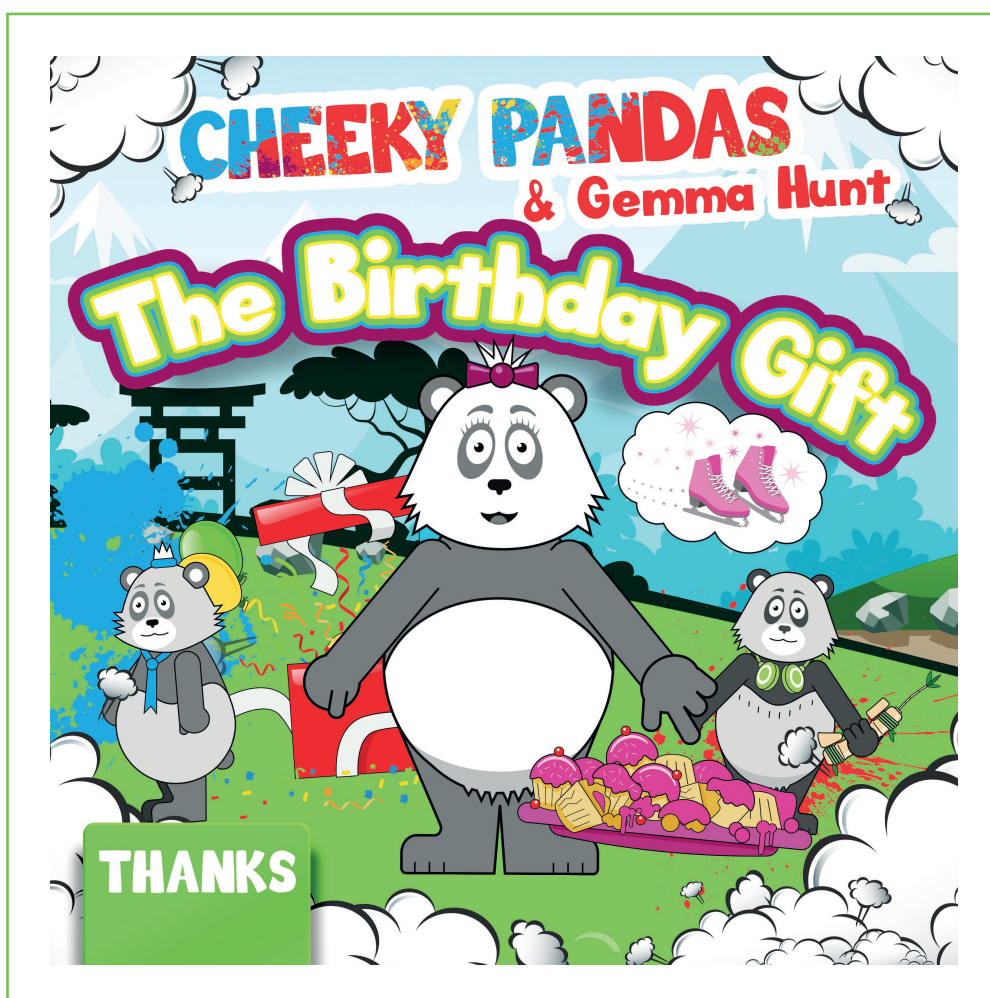

We can praise God wherever we go, why not go for a walk together in God's amazing creation. How many different things can you see that you can praise and thank God for?

Every **good** and **perfect gift** is from above, coming down from the **Father of the heavenly light**, who does not change like shifting shadows.

Let's chat! Watch the video: *The Birthday Gift*

- I wonder how you might have felt if your birthday gift had arrived all broken?
- How might you feel if the gift you had given to someone arrived all broken?
- What did you think about CJ's response to her friends?

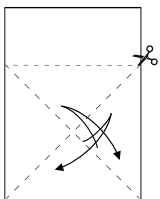

Let's make a Thank You catcher!

A paper prayer catcher is made by folding paper into a four-cornered device that is manipulated by the fingers.

You will need:

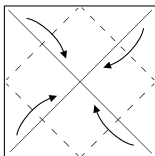

- A4 paper
- scissors
- pencil

1

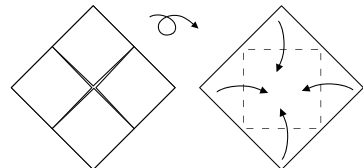

Take your sheet of A4 paper and fold up one corner until it meets the other side. Fold opposite corner up and cut off the excess strip to leave you with a square.

2

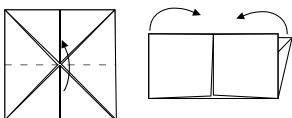

Unfold then fold each corner so the points meet in the middle.

3

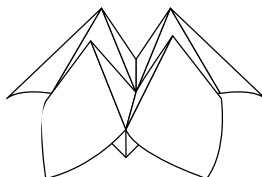

It should look like this. Now flip it over and fold in the corners so the points meet in the middle.

4

Fold along the horizontal middle and then the vertical middle.

5

Open the Thank You Catcher and work the sections with your fingers to form four points.

6

On the four outer flaps write the names of four different colours. On the inside, write eight numbers on the triangle flaps. Lift the flaps and write something you might want to say Thank You for on each one.

For example: • school • family
• free choice • friends • gifts • pets
• creation • sports

Let's Pray!

Loving God, we thank you for all the people and things in our lives. Help us to always be thankful even when life is a bit harder. We pray for our five friends, that you would help them also to know your love for themselves.

Amen

Why not see if you can do everything on the **I can pray... thank you** sheet every day this week.

Food Challenge

Making Banana Bites

You will need:

- Banana cut into two inch pieces
- Cream Cheese or Chocolate Spread (preferably with no nuts)
- Sprinkles (*cake sprinkle / grated chocolate / rice krispies / raisins / or whatever you have available in the cupboard!*)

Method:

Step 1:

Cover the banana pieces in a good coating of cream cheese or chocolate spread.

Step 2:

Carefully roll the banana pieces in whichever sprinkles you want. Be bold and make some interesting combinations. Place on a clean plate until you have used up all the banana.

Why not try this with other fruits as well!

**Now offer your selection

I can pray...a thank you prayer!

1 Thessalonians 5 v 17–18

Pray continually and give thanks whatever happens.
That is what God wants for you in Christ Jesus.

God loves it when we pray and talk to him – we can pray and ask for things, we can stop and listen to what God is saying – today let's take some time to pray a big **THANK YOU** to God for all the amazing things He does for us.

Thank you for friends and family

Visit all the rooms in your house – every time you come across a photo of a friend or family member stop and say a thank you to God for them.

Thank you for food

Every time you stop to eat or drink today – take a moment to say thank you to God for everything he provides for us.

Thank you for our home

Some things we use every day without thinking about them.

Pick a room in the house – stretch out wide with your hands towards the walls, stretch up tall between the floor and the ceiling – and say thank you to God for the house you live in.

Thank you for creation

Look out of a window at the beautiful creation that God has made – thank God for all the different plants and animals you can see.

Psalms 95 v 1–3

Come, let's sing for joy to the Lord.
Let's shout praises to the Rock who saves us.
Let's come to him with thanksgiving.
Let's sing songs to him,
because the Lord is the great God,
the great King over all gods.

Thank you for music

Put on a worship song and sing and dance as a thank you to God!

We need to use the oven.

Switch it on to about 180 degrees Centigrade.

We need a couple of bread rolls that are cut in half and placed cut side up on a baking tray.

Place a table spoonful of any pasta sauce on the roll. Then go creative with any toppings that you fancy:

Cheese and Pineapple? Ham and Cheese?

Olives and Cheese?

Cheese and finely chopped onion?

Whatever you use give it a fancy name. For example- *Hawaiian Extravaganza* or *Spanish Flamenco*.

Bake in the oven for about ten minutes.

Get adult help to remove it and remember it will be very hot.

You will need:

- **Oven** preheated to 180°C
- 2 bread rolls, cut in half
- pasta sauce

A selection of toppings:

- Cheese
- Pineapple
- Ham
- Olives
- Chopped onion

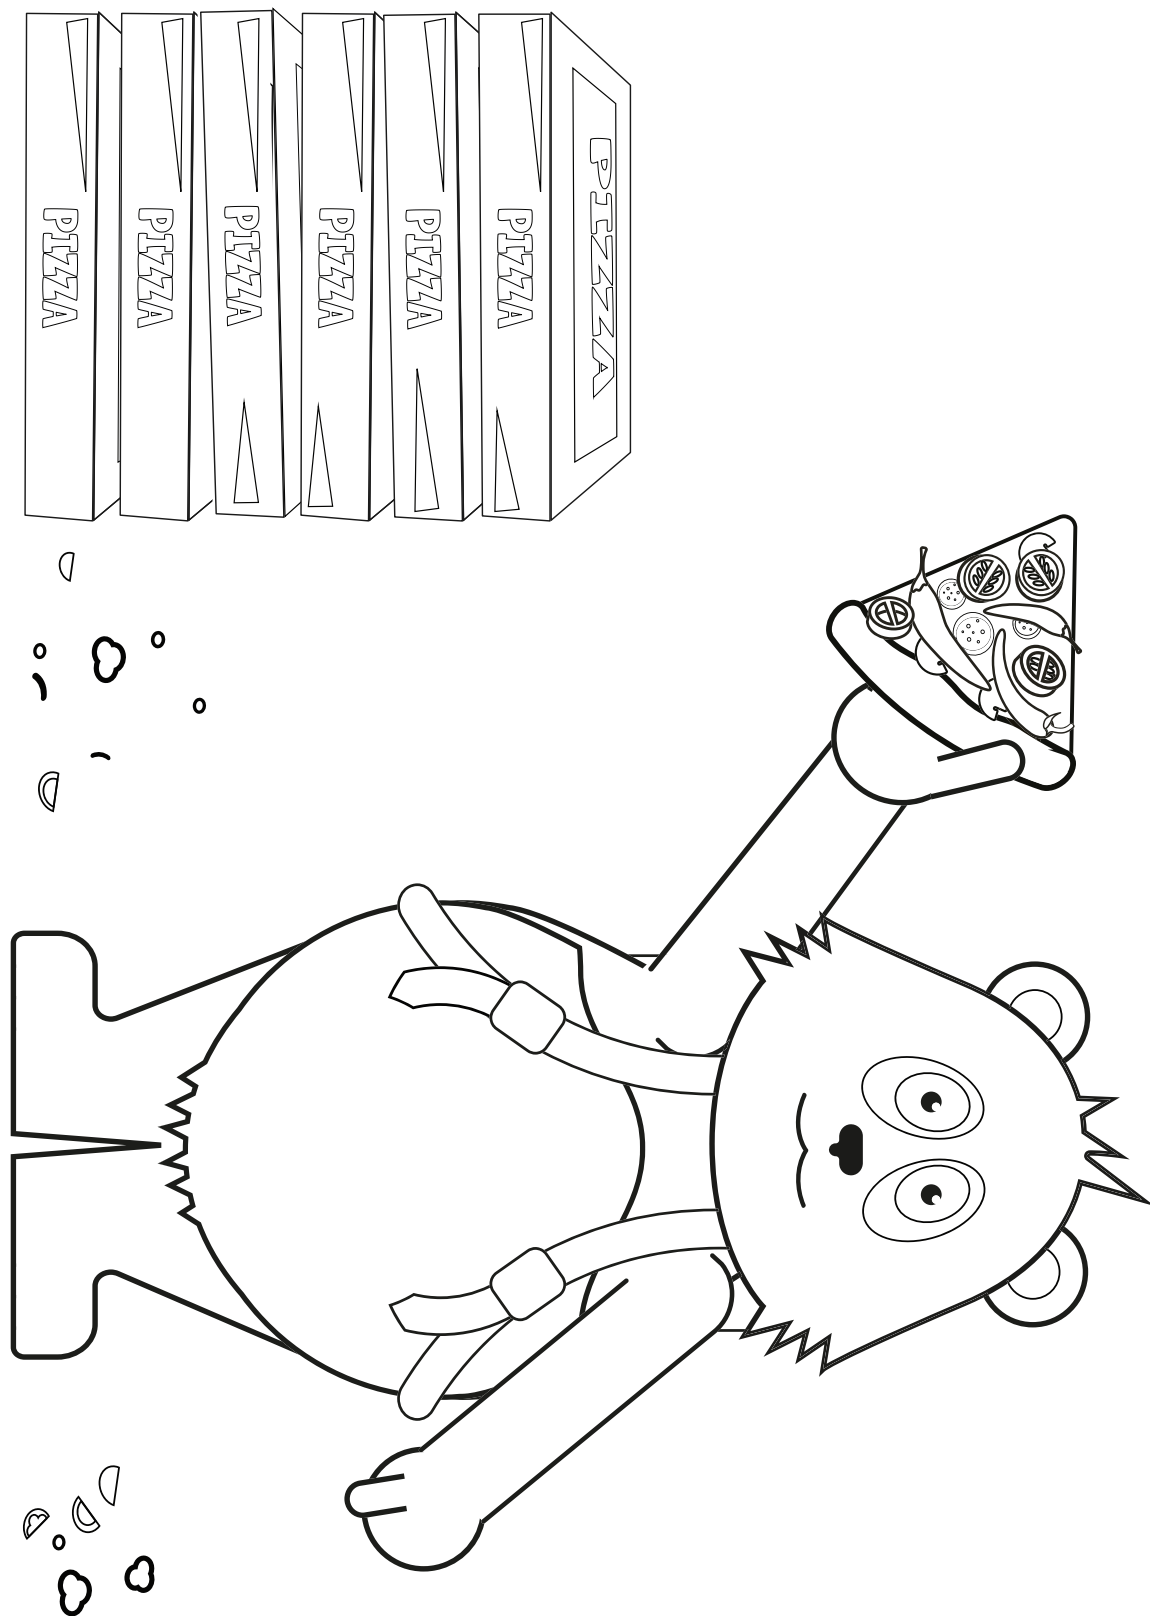

Which of these people might be feeling sorry for something they have done?

What could they do to feel happy again?

What is the best way for you to pray?

Where is the best place for you to pray?

Activity!

The picture on *sheet 2* is a ***labyrinth***. It is a special, silent way of praying.

Colour in the labyrinth using crayons, coloured pencils etc. Use as many colours as possible; this will make it easier for your eyes to follow your "walking" finger. Choose a walking finger and breathe smoothly and then slowly move your finger along the pathway into the centre. At the centre hold your finger there and say thank you to God for something. Then slowly 'walk' your finger back to the entrance. You can also use this to say sorry to God.

225g sieved icing sugar

175g Desiccated coconut

A tiny drop of red food colouring

Method:

Step 1:

Mix together the condensed milk and icing sugar. Stir in the coconut and divide the mixture in half. Colour one half a pale pink.

Step 2:

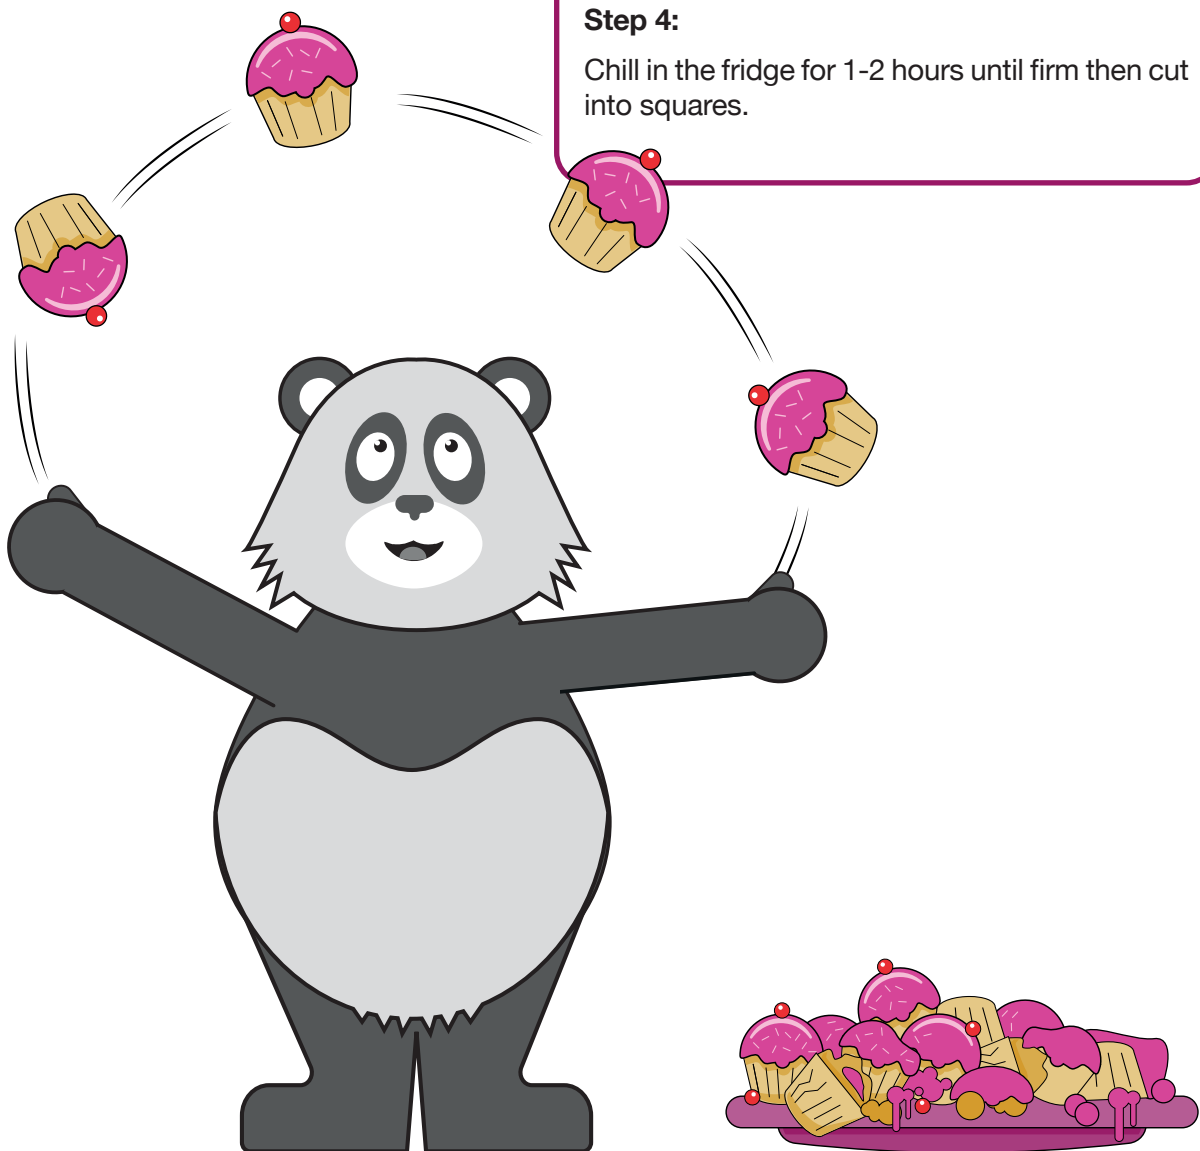

Double line a small plastic box with cling film before placing the white mixture in the bottom, pressing it into a bar shape.

Step 3:

Form the pink mixture into a similar shape and press firmly together.

Step 4:

Chill in the fridge for 1-2 hours until firm then cut into squares.

"Or suppose a woman who has ten silver coins loses one of them—what does she do? She lights a lamp, sweeps her house, and looks carefully everywhere until she finds it. When she finds it, she calls her friends and neighbors together, and says to them, 'I am so happy I found the coin I lost. Let us celebrate!' In the same way, I tell you, the angels of God rejoice over one sinner who repents."

Let's chat! Watch the video: *The Lost Coin*

- I wonder if you have ever lost anything precious?
- How did it feel?
- What is it like when you have looked everywhere for something and you suddenly find it?
- Let's find some lost treasure.

Get someone in the household to hide the chocolate coins around the home. You will only have three minutes to find them and bring them back. I wonder if you all found an equal number?

Let's make!

Happy & sad face plates

So, we are using the plate to make: on one side a really happy face with a big red smile and on the other side a really unhappy face with a very down turned mouth.

Once you've drawn both faces, stick the hair on so that it is long enough to hang down both side of the plate.

When the plate is mounted on the stick you can turn the face from sad to happy very quickly. Just like in the story where the man thought he had an ordinary field but then was happy when he found the treasure in it.

You will need:

- A small paper plate
- Two sets of googly eyes (or you could use old buttons)
- Some UPV glue
- A red marker,
- Some pieces of wool to make hair
- Either a lolly pop stick or a piece of doweling to mount the faces on.

Let's pray!

Loving God, we thank you that knowing you is such a brilliant thing in our lives. We thank you that Jesus is a special friend as well as being your son. We pray for those people who are our friends who do not yet know Jesus as their special friend. Help them also to find this special treasure. Amen.

• Take your stick and secure a good length of twine at both ends to make a hanging loop. (*Doubling the piece of twine will help.*) You need to make sure the hanging loop does not slip off of the stick, so you may need to use some glue or sticky tape.

• Next, cut four different lengths of twine that will enable you to thread on three buttons at different places on each thread. Secure each one with cotton onto the twine and then secure each length to the main stick.

• Hang securely onto a tree and listen to the sound it makes in the wind and watch its movements.

You may like to make lots of paper chains to decorate your room. Why not write on them the names of all the people you know in your church family.

You might like to make bunting in red and yellow colours out of different sizes of triangle using paper or material if you have any. Then staple them onto a long piece of ribbon or string.

Let's make party hats!

You will need a piece of orange card two inches in depth and long enough to fit around your head. When you have measured it staple the ends together.

Colour in the flame template, cut it out and staple it in the front of the head band.

Food challenge!

Let's make party food! Here is just one easy idea: **Marshmallow lollies**

Method

STEP 1

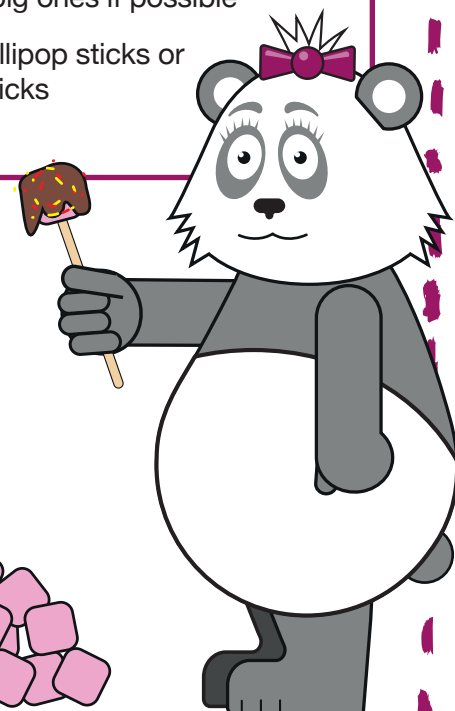

- Heat the chocolate in separate bowls over simmering water or on a low setting in the microwave.
- Allow to cool a little.

STEP 2

- Put your chosen sprinkles on separate plates.
- Push a kebab stick or lolly stick into a marshmallow about half way in.
- Dip into the white or milk chocolate, allow the excess to drip off then dip into the sprinkles of your choice.
- Put into a tall glass to set. Repeat with each marshmallow

You will need:

- 50g white chocolate
- 50g milk chocolate
- selection of cake sprinkles
- 1 bag marshmallows (about 200g) use the big ones if possible
- 1 pack lollipop sticks or kebab sticks

Let's play a game!

How to play:

- Everyone sits in a circle.
- People take it in turn to throw the dice.
- If you throw a six you have to get dressed in all the clothes, pick up the knife and fork, and start to cut the chocolate bar open and eat the chocolate.
- You keep on going until another six is thrown, then someone else takes over.
- If you wanted to you could use two dice starting in two different points in the circle.

You will need:

- A dice
- A covered bar of chocolate
- Some gloves
- A scarf
- A woolly hat
- A jacket
- Knife and fork

Let's pray!

Loving heavenly Father, we thank you for your church, we thank you for everyone in it both in our country and far away.

Thank you that you sent your church the gift of the Holy Spirit's power for everyone. We pray for our five-special people to also come to know your love for themselves and to receive God's special power as well.
